

Comfort & style.

SEAT VARIANTS FOR NEOPLAN COACHES.

NEOPLAN

Some of the equipment illustrated or described in this brochure is not included as standard.

How you sit affects how you drive.

Drivers who spend hours on end behind the wheel every day deserve a workplace that is as comfortable as possible. The ergonomic driver's seat and comfort seats for passengers feature elegant design and meet demanding safety standards. They promote good posture when seated and so contribute to comfortable, safe driving. Fit and happy – the co-driver and tour guide benefit from luxury, comfortable seating.

The feel-good factor.

PREMIUMLINE ECO PLUS

Wide back for luxuriously comfortable seating. With leather headrest cover as standard. Handle shell available in different designs. It's that comfortable, you won't want to leave your seat.

Double stitching

Fold-out waste bin

Dynamic and exclusive.

PREMIUMLINE BUSINESS

Side bolsters and headrest covers in premium leather convey a sporty look. Contrasting design elements and elegant decorative options for handle shells and armrests allow for customisation. The ideal seat for both short and long journeys.

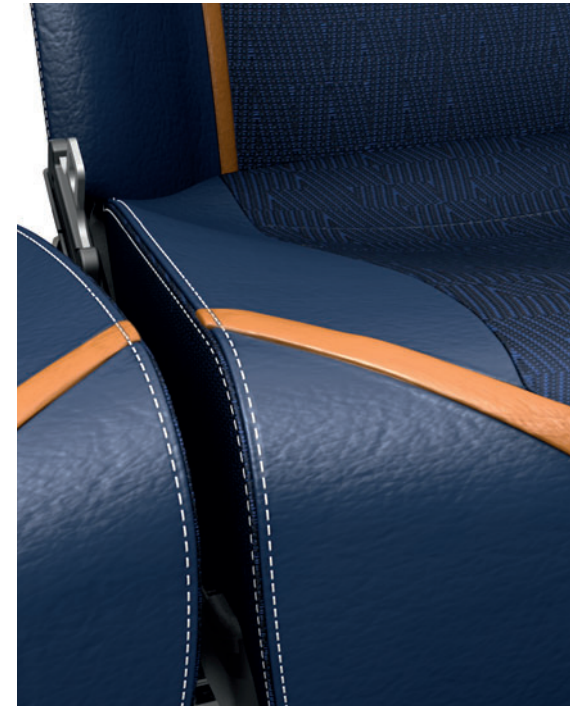

Grab handles in Pearl mouse grey

Triangle element in leather

Seat cushion front in leather,
double stitching instead of piping

Top aesthetics.

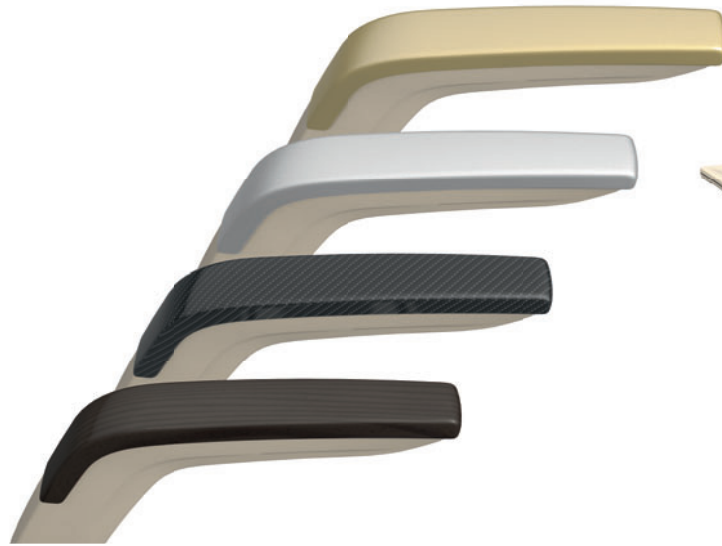

PREMIUMLINE FIRST

Spoil your passengers with pure luxury: premium-class seat featuring the best in comfort to make every trip a dream. Contrasting leather seat crease exudes luxury.

Backrest adjustment with seat angle adjustment

Design decors

Free-standing folding tables

A touch of luxury.

CREOLO

Take a seat and feel good. The elegant seating features moveable armrests and not only looks elegant, but does you good too. On this model, the seat angle adjusts itself automatically when the backrest is adjusted.

DORADO

It's time to get sporty – this model's dynamic look says it all. And yet the Dorado seat not only exudes elegance. Whether short or long-haul, this athlete demonstrates endurance and a sporty look. The automatic seat angle adjustment function for the backrest makes it especially comfortable.

Extra class.

ERINO

Drawn out leather elements, beautiful, elegant details and a charming shape make the Erino stand out. Easy to care for, the seating features an automatic seat angle adjustment function when the back rest is altered.

ERINO PLUS

The perfect model for high standards: ergonomic, elegant seat shape to aid comfortable sitting down and standing up. Shapely and stylish accessories. Automatic seat angle adjustment function when adjusting the backrest is included as standard on this model.

NEOPLAN Individual.

STYLE FOR THE DISCERNING VIP CLASS.

The "NEOPLAN Individual" equipment line provides you with a wide spectrum of exclusive special equipment for passenger seats in NEOPLAN coaches too. Premium materials, innovative multimedia equipment, adjustable headrests, handrails and grab handles in

stainless steel, carbon or wood-look allow you to add individual design or functional enhancements. Provide your passengers with a uniquely luxurious experience: a treat for all the senses.
