## The fascination of mobility. Welcome to the Bus Forum.

A place of encounter, a platform of communication: the Bus Forum in Munich presents you the MAN and NEOPLAN brands in a single impressive show. It's the address to go to when you collect your new bus at the customer center. Plus, it invites you to choose the individual outfit of your bus in two extra showrooms. A wide-ranging brand exhibition envelops you in the past, present and future of bus mobility.

Discover the world of MAN and NEOPLAN buses and coaches, experience modern mobility as never before.

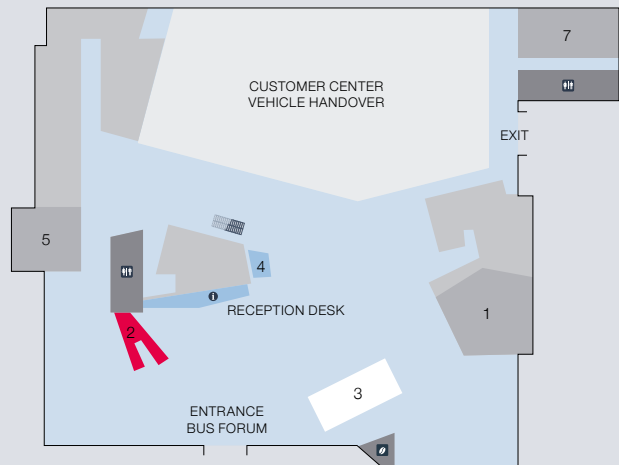

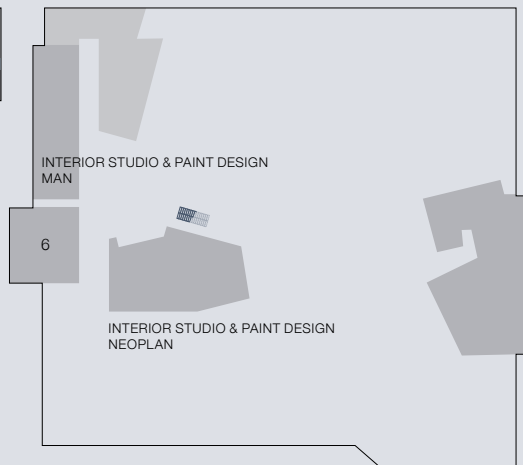

Find out how MAN and NEOPLAN have made bus history and continue to shape its future. In the brand worlds of the Bus Forum you'll gain interesting insight and feel the fascination of the bus on a unique virtual trip. An adventure trip that guides you through interactive terminals, exhibits and into a panoramic cinema. Find out all about our products, services and partners. Learn more about the efficient solutions our buses and coaches offer you.
